- After 10 minutes (D) Doe Warren police officers arrived and witnessed (P) Thrower being physically restrained by (D) Scott, committing the crime of kidnapping, assault and battery, false imprisonment on the person of (P) Thrower. (Ds') 4 Doe Warren police officers did nothing except arrest (P) Thrower while a trained officer would have recognized (D) Scott did not have authority to perform a "citizens arrest" under Michigan law and (D) SCOTT was breaking numerous state laws in Doe officers presence.
- Doe Warren police officers committed the crime of "failure to report a crime" by not arresting (D) Scott #32 Under Michigan law: "failure to fulfill this legal duty to report impeding someone from doing a crime and may be charged as a misdemeanor."
- (P) Thrower made a police report on (D) Scott 7/21 for kidnapping, false arrest, assault and battery but to (P) Thrower knowledge this was never prosecuted Incident #21-33784.

Further, as stated *supra*, said order was issued 7/7/21 and not issued with probable cause, was never served on (Ps') and cars were towed BEFORE said order was issued. The custom and police are to write a ticket before towing cars and an opportunity to be heard in court of Warren city.

- After towing cars and arresting (P) (D) Fouts issued news release that he was "keeping 6/21 promise" to get bad landlords-showing he was part of the conspiracy.
